

G.L. Bajaj Group of Institution, Mathura

Date: Jan. 7, 2016

NOTICE

All Students of B.Arch & B.Tech (Civil Engg.)

This is to inform that Govt. of India is going to organize a 3-Day event 'HACKATHON' under MAKE IN INDIA Week at IIT-Bombay starting from Feb. 13, 2016 in which leading Institutions would come together and develop solutions to address problems in three important areas - Water, Transportation and Energy. The inauguration of 'HACKATHON' will be done by the Prime Minister.

See below mentioned details for registration and themes of the Make In India Hackathon.

Hackathon guidelines:

Registration is open ONLY for students in TEAMS of 2-4 persons. Teams can pick up an interesting problem in one of the three themes -

- ✓ Water (To save water and to save from water)
- ✓ Transportation (User Friendly road Intersection)
- ✓ Energy (Smart Approaches to Sustainable Energy)

Note: Since themes are multidisciplinary in nature, registrations from inter-departmental teams would be preferred.

- Registration starts: 4 January, 2016
- Last day for team registration along with the slides (6 slides on the idea that you wish to implement at the Hackathon: 15 January, 2016

Thereafter, their Panel of theme Heads will short-list 10 participating teams per theme. The event will also feature pre-hackathon tutorials and workshops to equip you with tools and tips from faculty at IIT-Bombay. This will be ONLY for the short-listed candidates.

| Event Details | |
|--|---|
| Pre-hackathon tutorials and workshops Venue: IIT-Bombay, Mumbai Dates: 9-12 February, 2016 | Make in India Hackathon Venue: IIT-Bombay, Mumbai Dates: 13-16 February, 2016 |

For more information & details, you may either contact anyone of the following faculty members or can see the details on <http://cuse.iitb.ac.in/hackathon> –
