Sub: Extension of Approval for imparting **5-year Full-time Bachelor of Architecture Degree Course** from 2015-2016 onwards - reg.

Dear Sir/Madam,

I am directed to state that the Executive Committee of the Council of Architecture (COA) at its 144th Meeting held on 14th & 15th May, 2015, considered the assessment report of the Inspection Committee that visited your Institution on 6th & 7th May 2015, duly scrutinised by the Scrutiny Committee of Experts (copy enclosed), together with the information provided by institution, for extension of approval of **5 year full-time Bachelor of Architecture (B.Arch.) degree course**.

The Executive Committee has decided to grant extension of approval to **5 year full-time Bachelor of Architecture (B.Arch.) degree course** as under:

DETAILS OF THE COURSE	INTAKE	PERIOD OF APPROVAL
5-year Full-Time Bachelor of Architecture	40	2015-2016, 2016-2017 & 2017-2018

The approval accorded by the Council to your institution is subject to compliance of the Council Norms attached herewith as **Annexure-A**.

The numerical scores assigned in the assessment report of the institution are only for the purpose of evaluation of Minimum Standards prescribed by the Council. These are not a reflection of the institutional merit and should not be used for any promotional purposes or in any other manner in the public domain. Any violation in this regard shall attract disciplinary action against the institution. Further, any *error/rectification* in calculation of marks in the assessment report has also been taken into account by the Executive Committee.

The final observations of the Executive Committee are mentioned below for necessary information/compliance:

- Since the minimum scores are not achieved in the Existing as well as Identified components, the Additional Intake cannot be considered.
- Grossly inadequate faculty at Associate Professor level for the existing Intake of 40.

Further, the Executive Committee also **rejected** the application of your institution for additional intake of 40 in the existing B.Arch. degree course due to lack of faculty for the additional intake.

The institution shall initiate necessary remedial actions, if any, based on the enclosed inspection report and observations of the Executive Committee and send its compliance/observations on the same for further consideration. The Council shall be at liberty to inspect the Institution at any point of time to verify the compliance made by the institution and to ascertain that the institution is imparting architectural course as per the Norms prescribed by the Council, from time to time.

Yours faithfully,

R. K. Oberoi
Registrar
