### EXPERT GUEST LECTURES

While industry visits and academia are important aspects of knowledge building, there is one realm where students can learn a lot from Expert Lectures. Every year, many expert lectures are conducted in the campus. Eminent personalities from academic world and reputed organizations across the country visit the campus to share their knowledge and experience with budding minds. Their rich experiences and wealth of knowledge provide abundant insights to the professionals of tomorrow. These enriching lectures provide a platform for students to clear their doubts, get answer to their innumerable questions, and even put forth their views on matters relevant to their studies and their careers.
