have been found indulge in fighting near Main Gate of the Institute on 28th February, 2022. The matter has been transferred to the Proctorial Board to initiate an enquiry in the given matter. An initial inquiry meeting has been held and the three students have been suspended from the institute activities till the inquiry is over. Proctorial board meetings have been held at 2:00 PM on 02nd March, then on 9th march and then again on 10th March 2022 in Board Room having following members:

- Mr Udayveer Singh, HoD, ME
- Mr Nitin Sahu, HoD, ECE

After thorough investigation and having written statement taken by the involved students (and other students who are witnesses to the incidence), Proctorial board came to conclusion that the involved students have a fight with each other regarding egoistic issues and are responsible for causing nuisance in the campus.

It has been found that, out of the three suspended students, two students **Deepak Sharma & Ayush Chaubey** were the main culprit for the fight. They were asked to given an **self-undertaking and also submit an undertaking from their parents**. After further proceeding, it is decided to revoke the suspension of Deepak Sharma, Ayush Chaubey and Ujjwal with immediate effect.

Rest three students, **Ujjwal, Ahabab Ahmad & Nitesh Tiwari**, were found to be supporting the main culprits in the fight and hence are given **strict warning** that in future they must not found in any such indiscipline activity.

If any such incident will be happened due to these involved students in future again, then, strict action will be taken against them.

Dr. Bholey Singh,
Chief Proctor
